“With the new Rapide S we did what seemed impossible. We took what was already the world’s most beautiful four door sports car and made it even better: more striking to look at; more powerful and dynamic to drive; more luxurious; more individual than ever.

The added performance of the all-new V12 engine and the agile sharpness of the handling is something to relish, yet when passengers are your priority this purebred sports car softens to deliver cosseting luxury for four adults to enjoy.

It is this versatility that I believe makes the new Rapide S a uniquely appealing car and a truly exceptional Aston Martin.”

Dr. Ulrich Bez, Chief Executive Officer

A CENTURY IN THE MAKING:
THE LUXURY OF FOUR DOORS
WITH THE HEART OF A SPORTS CAR.

1913 – 2013

Aston Martin has produced exclusive, hand-crafted sports cars of distinction for more than a century. From the very beginning our cars have possessed a special blend of style, performance and craftsmanship that sets them apart from all others.

As icons of style and speed our cars have become woven into the fabric of popular culture and motor racing history, thanks to scene-stealing appearances in the James Bond 007 movies, and superb performances in legendary races such as the Le Mans 24 hours. It is this success and rich diversity of influences that give Aston Martin its unique combination of charisma, style and inner strength.

An aerial photograph of a winding asphalt road through a rugged, mountainous landscape. The road curves through a valley with sparse green vegetation and rocky terrain. In the foreground, a dark-colored car is driving on a sharp curve of the road. The background shows more of the winding road as it disappears into the distance. The lighting is bright, suggesting a sunny day.

THE POWER OF LUXURY.
THE ART OF ASTON MARTIN.

SINGULAR VISION,
SHARED PLEASURE.
THE WORLD'S MOST
BEAUTIFUL FOUR DOOR
SPORTS CAR.

A striking new look. Intensified performance. Enhanced luxury and even greater scope for personalisation. When a car is this spectacular you will want to share it. With family. With friends. On short journeys and

long distance adventures. Whatever you ask of it the Rapide S excels, delivering a tactile, cossetting experience that is as memorable for your passengers as it is for you.

A NATURAL BORN
DRIVER'S CAR.

Following a unique recipe using the finest ingredients in the automotive industry, the new Aston Martin Rapide S is a compelling and comprehensively improved evolution of our ground-breaking four door sports car.

“TAKE THE BEST AND MAKE IT BETTER”

The Rapide S was created to a simple, but exacting brief: “Take the best and make it better.” Beauty, elegance and proportion are all essential qualities that every Aston Martin has to possess. The original Rapide was a triumph because it took the aesthetic blueprint from our rakish two-seater

coupes and created an indulgent four-seat, four door sports car that was every bit as cohesive and every inch an Aston Martin. Since its introduction in 2009 no four door car in the world has come close to replicating the Rapide’s breath-taking style. Until now that is, with the new Rapide S.

It was of vital importance to us that in giving the Rapide S a more assertive look we also preserved its magical purity of line and proportion. Now, whether you view it from the front, rear or in profile the Rapide S unquestionably has a more forceful presence, yet maintains that all-important subtlety and restraint.

Free from embellishment and visual clutter it’s this immaculate understatement mixed with the innate presence of the Rapide S that makes it such a successful piece of design.

THE THRILL OF THE CHASE.
THE LAP OF LUXURY.
THE BEST OF BOTH
WORLDS.

As a true Aston Martin, motorsport has played its part in the development of our four door sports car. In May 2010, Aston Martin contested the annual Nürburgring 24 hours in a near-standard road-registered Rapide. With only minor changes to satisfy racing safety requirements, this car – complete with standard Touchtronic 2 automatic

transmission – ran fast and faultlessly throughout, achieving second in class and 34th overall from a starting grid of 200 purpose-built racing cars.

As with all our racing activity, lessons learned in that gruelling event have directly influenced the development of future road car products, including the Rapide S.

A FOUR-SEATER
ASTON MARTIN.
THE OPEN ROAD.
FREEDOM REDEFINED.

SO IMMERSIVE YOU WILL
FORGET YOU ARE IN
A FOUR-SEATER SPORTS CAR.

One of the truly unique qualities of the Rapide S is that while it pays close attention to the needs of its passengers, it never forgets that an Aston Martin is a car for drivers. With perfect alignment of seat, steering wheel and pedals, and an inspiring view down that long, swooping bonnet, the driving environment is every bit as special as that of our more focussed Sports, GT and Super GT models.

Clear design, tactility and a sense of connection are paramount, and from the moment you slip behind the steering wheel you feel in total command of the car. Intuitive ergonomics, fine visibility and the sensory satisfaction of materials such as glass switches are thoughtful and satisfying, completing a driving experience so immersive you will forget you are in a four-seater sports car.

LIKE FIRST CLASS AIR TRAVEL
WITHOUT EVER LEAVING
THE GROUND.

Fashioned from the same fine materials with the same obsessive attention to quality and detail, the rear passengers' compartment of the Rapide S is just as enticing as the front. Individually sculpted rear seats provide ample support, yet are yielding enough to be comfortable over extended distances.

The raised sweep of the central console serves as a built-in armrest as well as somewhere to stow drinks. Zoned air conditioning ensures rear seat passenger can enjoy their own climate independent from that of those in the front.

SUPERB CRAFTSMANSHIP, SUPREME COMFORT.
WELCOME TO THE PLEASURE ZONE.

To travel in the Rapide S is to be immersed in a uniquely spacious and indulgent environment. One that stimulates your senses, yet isolates you from unwanted stress and strain. With a wider choice of interior colour, trim and detailing options – including

a new Carbon Interior pack and duotone perforated leather – you can further emphasise the Rapide S sporting nature, while retaining the richness, luxury and craftsmanship that makes it such an extraordinary and enticing place to be.

HEAVENLY BODY, DEVILISH DETAILS.
A PERFECT MARRIAGE OF FORM AND FUNCTION.

While remaining faithful to its predecessor's elegant and perfectly proportioned lines the new Rapide S has been given a stronger and more confident look, thanks to an assertively styled new full-face

aluminium grille. Set within a re-profiled front bumper the Rapide S has a newfound confidence and tremendous presence, yet remains instantly recognisable as an Aston Martin.

At the rear, a new tailgate features a more aggressively upswept 'flip' to create a more dynamic profile and increase aerodynamic stability at high speed. Below, an aerodynamic

diffuser has been integrated into the rear valance to better manage the airflow exiting beneath the rear of the car, and to mirror the boldness of the overtly sporting frontal treatment.

STYLE AND STAMINA.
RELENTLESS AND RELIABLE.
LUXURY WITH A
SPORTING STREAK.

FOUR DOORS. FOUR SEATS.
A COUPE WITHOUT
THE COMPROMISE.

The shape might shout sports car, but the Rapide S is as much about function as it is about form. With a quartet of swan-wing doors that sweep up and out from the door apertures for optimal ingress and egress, four adults can be accommodated with impressive ease.

In the front, multi-adjustable seats provide total support for the driver and front passenger, while in the rear, the cleverly sculpted headlining and front seat backs maximise available head and knee-room within the beautifully designed and appointed rear passenger compartment.

CONCERT HALL AND MOVIE THEATRE. THE BEST SEATS IN THE HOUSE.

For the ultimate 'in-flight' experience look no further than the optional rear seat entertainment system. Featuring individual screens mounted in the back of the front seat head restraints, they take a feed from the 6-disc in-car DVD player.

Wireless headphones and remote control ensure maximum convenience and viewing pleasure. The Rapide S also features a 1000 W Bang & Olufsen BeoSound audio system as standard featuring 15 optimally placed speakers for sparkling acoustics and immersive listening pleasure.

BEAUTIFUL AND SMART.
POTENT AND PRACTICAL.
THE COMPLETE LUXURY
SPORTS CAR.

We all dream of trans-continental journeys and the freedom of the open road, but there are times when such idealistic motoring has to take a back seat. That is when the multi-talented Rapide S excels once more, offering the functionality and practicality of much more prosaic transport.

Accessed via a large tailgate, the wide, flat luggage area is generous enough to accommodate everyday luggage without encroaching on the rear passenger environment. However when you need to transport something out of the ordinary, or are packing for an extended touring holiday for two, the Rapide S rear seats can be folded down to triple the available luggage space. In so doing a truly cavernous load area is created, perfect for swallowing bulky sporting equipment such as golf bags or sets of skis.

COOL DELIVERY. SEARING PACE.
THE UNIQUE CHARISMA OF
A WORLD-CLASS V12.

Peak power

558 PS

550 bhp + 81 PS*

Torque

620 Nm

+ 20 Nm*

0-62 mph

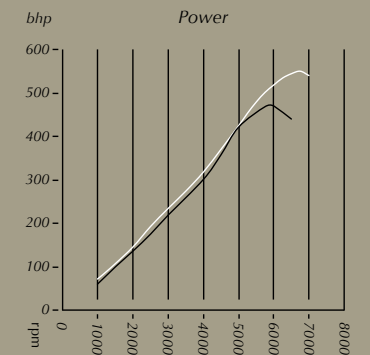

4.9 seconds

0.3 faster*

*Compared to Rapide

The heart of the Rapide S is its all-new quad-cam 6.0-litre V12. Beating harder and faster than ever before, this peerless engine produces a scintillating 558 PS (550 bhp), an increase of 81 PS compared with the outgoing Rapide. With Sport mode engaged, the throttle is more responsive and the Touchtronic 2 automatic transmission sharpens its shift times to match, while active exhaust bypass valves open to produce an exhilarating soundtrack to suit the rousing performance on offer.

Perfectly complementing the uplift in power the new V12 also develops significantly more torque. Its peak output is now 620 Nm, up 20 Nm on the old engine, yet thanks to our focus on accessible performance, gains of up to 40 Nm have been made between idle and 4000 rpm, precisely where you appreciate it most of the time. The result is a generous spread of effortless performance coupled with the assurance of emphatic overtaking ability whenever you need it.

— Previous model
— New model

PACE AND POISE.
PRECISION AND PLIANCY.
MATURE PERFORMANCE
TO SUIT EVERY JOURNEY.

It is not just the outright pace of the Rapide S that makes it so impressive, but the way it is deployed. Developed to fully exploit and perfectly complement the tremendous reserves of accessible performance, the Rapide S advanced suspension and braking systems are paragons of control, power and precision.

When driving alone you will love the way the new 3-stage Adaptive Damping System (ADS) can be configured to deliver true sports car handling, yet when comfort is a priority it effortlessly assumes the role of the consummate luxury car.

Huge disc brakes deliver progressive, consistent stopping power, while a 3-stage stability control system provides a reassuring safety net that does not inhibit your driving enjoyment. Optional lightweight forged alloy wheels reduce unsprung and rotational masses to further improve ride and steering response.

BEAUTY THAT IS MORE
THAN SKIN DEEP.

The Rapide S shares the same advanced bonded aluminium construction and potent powertrain as our latest generation GT and Super GT models. It provides the ideal

platform on which to create the most sporting four-seater in our history with a lower centre-of-gravity and increased structural rigidity.

A PUREBRED SPORTS CAR
BLESSED WITH NATURAL
ATHLETICISM AND
PERFECT BALANCE.

50.1%

49.9%

By tucking the 6.0-litre V12 engine behind the centreline of the front wheels and mounting the six-speed Touchtronic 2 transaxle at the rear, not only are the Rapide S major masses concentrated within the

wheelbase for optimum agility and response, but the weight distribution is evenly spread front-to-rear for consistent, confidence-inspiring handling on all roads in all weathers.

DESIGNER'S CHOICE

Take inspiration for your perfect Rapide S with this selection of both sporting and luxury colour and trim combinations

VOLCANO RED

SPORTING STATEMENT – Bold combination of Volcano Red exterior, aggressive 10-spoke wheels and black leather with duotone highlights.

Leather: Obsidian Black
Stitch: Red
Seat Inner: Duotone Red perforated leather
Centre Stack Facia: Piano Black pack
Brake Caliper: Red
Carbon-Fibre Exterior pack
Wheels: 20-inch 10-spoke alloy Gloss Black painted wheels with diamond-turned finish

AMETHYST RED

CONFIDENT CONTRASTS – The richness of Amethyst Red, bright 20-spoke wheels and the neutrality of Winter Wheat leather.

Leather: Winter Wheat
Headlining: Ivory
Stitch: Iron Ore
Centre Stack Facia: Piano Black
Brake Caliper: Silver
Wheels: 20-inch 20-spoke alloy wheels with Polished finish

SELENE BRONZE

CONTEMPORARY OPULENCE – The modernity of Selene Bronze complimented by the luxury of Bitter Chocolate leather and dark Mahogany trim.

Leather: Bitter Chocolate
Headlining: Ivory
Stitch: Bitter Chocolate
Centre Stack Facia: Mahogany
Brake Caliper: Black
Wheels: 20-inch 10-spoke alloy Silver painted with diamond-turned finish

MORNING FROST WHITE

WHITE HOT – The pristine coolness of Morning Frost White mated to the warmth of a Kestrel Tan leather interior.

Leather: Kestrel Tan
Stitch: Kestrel Tan
Centre Stack Facia: Piano Black pack
Brake Caliper: Black
Wheels: 20-inch 10-spoke alloy Silver painted wheels with diamond-turned finish

SPECIFICATIONS

Body

- Four door body style with tailgate and four individual seats
- Extruded aluminium bonded VH body structure
- Aluminium and composite body panels
- Extruded aluminium door side-impact beams
- Single bi-xenon headlamps with integrated LED side lights and direction indicators
- LED rear lamps and side repeaters

Engine

- All-alloy, quad overhead camshaft, 48-valve, 5935 cc V12
- Front mid-mounted engine, rear-wheel drive
- Fully catalysed stainless steel exhaust system with active bypass valves
- Compression ratio 10.9:1
- Max power 410 kW (558 PS/550 bhp) at 6750 rpm
- Max torque 620 Nm (457 lb ft) at 5500 rpm
- Acceleration 0-60 mph in 4.7 sec; 0-100 km/h (62 mph) in 4.9 sec
- Max speed 306 km/h (190 mph)

Fuel consumption

- Litres/100 km (mpg)
- Urban 21.4 (13.2)
- Extra-urban 10.1 (28.0)
- Combined 14.3 (19.9)

Gas mileage (North America only)

- City 13 mpg
- Highway 19 mpg

CO2 emissions

- 332 g/km

Transmission

- Rear mid-mounted, ‘Touchtronic II’, six-speed gearbox with electronic shift-by-wire control system
- Alloy torque tube with Carbon-Fibre propeller shaft
- Limited-slip differential
- Final-drive ratio 3.46:1

Steering

- Rack and pinion, Servotronic speed-sensitive, power-assisted steering, 3.0 turns lock-to-lock
- Column tilt and reach adjustment

Wheels and tyres

- 20” Multi-spoke alloy Silver painted wheels with diamond-turned finish
- Front Bridgestone Potenza 245/40 R20
- Rear Bridgestone Potenza 295/35 R20

Suspension

- Front Independent double wishbones incorporating anti-dive geometry, coil springs, anti-roll bar and monotube adaptive dampers
- Rear Independent double wishbones with anti-squat and anti-lift geometry, coil springs, anti-roll bar and monotube adaptive dampers
- 3-Stage Adaptive Damping System (ADS)

Brakes

- Front Dual-cast brake discs, 390 mm diameter with six-piston calipers
- Rear Dual-cast brake discs, 360 mm diameter with four-piston calipers
- 3-Stage Dynamic Stability Control (DSC)

- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution (EBD)
- Emergency Brake Assist (EBA)
- Hydraulic Brake Assist (HBA)
- Positive Torque Control (PTC)
- Electronic Park Brake (EPB)
- Traction Control (TC)

Dimensions

- Length 5019 mm (197.6”)
- Width 1929 mm (75.9”) excluding mirrors; 2140 mm (84.3”) including mirrors
- Height 1360 mm (53.5”)
- Wheelbase 2989 mm (117.7”)
- Front track 1589 mm (62.6”)
- Rear track 1613 mm (63.5”)
- Fuel capacity 90.5 litres
- Weight 1990 kg (4387 lb)

Interior

- Full-grain leather interior
- Walnut fascia trim
- Iridium Silver centre console outer finish and Graphite inner finish
- Glass switches
- Auto-dimming interior rear-view mirror
- Auto-dimming interior rear-view mirror with garage door opener (USA and Canada only)¹
- Electrically operated front seats
- Memory front seats and exterior mirrors (three positions)
- Dual-stage driver and front passenger frontal airbags
- Front occupant side airbags
- Head protection airbags for front and rear occupants
- Heated front and rear seats
- Heated rear screen
- Automatic front and rear temperature control
- Organic Electroluminescent (OEL) displays

- LED map lamps and ambient lighting
- Trip computer
- Cruise control
- Hard Disk Drive (HDD) satellite navigation^{1,2}
- Bluetooth telephone preparation¹
- Satellite radio system (USA only)
- Powerfold exterior mirrors
- Front and rear parking sensors
- Tyre-pressure monitoring¹
- Alarm and immobiliser
- Remote-control central door locking and boot release
- Tracking device (UK only)³
- Umbrella

In-car entertainment

- 1000 W Bang & Olufsen BeoSound audio system with ICEpower® technology
- Integrated Apple iPod® connector (requires Apple-supplied Lightning adaptor for iPhone 5 compatibility)⁴
- USB connector with Waveform Audio Format (WAF), Windows Media Player (WMA) and MPEG (MP3) audio file compatibility
- 3.5 mm auxiliary input socket

Exterior options

- Alternative brake caliper finish – black, red, silver or yellow
- Magnum Silver rear lamp infills
- Delete model badging
- Delete protective tape
- 20-inch 10-spoke alloy Silver painted wheels with diamond-turned finish
- 20-inch 10-spoke alloy Gloss Black painted wheels with diamond-turned finish
- 20-inch Multi-spoke alloy Silver painted wheels with diamond-turned finish (standard fit)
- 20-inch 20-spoke alloy wheels with Polished finish
- 20-inch Multi-spoke alloy Graphite painted wheels with diamond-turned finish

Interior options

- Alternative fascia trim finishes: Mahogany, Piano Black, Bamboo, Tamo Ash

RAPIDE TRANSPONDER WATCH

Aston Martin has worked closely with its watch partner, Jaeger-LeCoultre, to develop the new Rapide Transponder, a discreetly functional timepiece that allows the wearer to lock and unlock the Rapide via touch-sensitive zones incorporated into the sapphire crystal watch face.

Jaeger-LeCoultre’s signature dial design is a functional piece of horological art that beautifully complements the Rapide: the cutaways that reveal the intricate movement, within reference the car’s visible brake calipers. To find out more, please enquire with your preferred Aston Martin dealer.

UNMISTAKABLE.
INIMITABLE.
IRRESISTIBLE.
THE ASTON MARTIN
RAPIDE S.

ASTON MARTIN LIFE

YOUR PASSPORT TO EXPERIENCES YOU WILL NEVER FORGET.

Life as an Aston Martin customer is about so much more than the car. It is about being part of a global family of like-minded individuals drawn to the Aston Martin brand by a shared appreciation of style, quality and the finer things in life.

This passion is shared by all of us at Aston Martin and by our dealer network. We are proud of our heritage and of the fact that more than 85 per cent of all Aston Martins ever built are still in existence and being enjoyed by their owners. Our expanding global network of dealerships – 148 and counting in 42 countries – provides an unmatched service for current and prospective Aston Martin owners. Staffed by the most knowledgeable and highly-trained sales teams and technicians, our dealerships are on-hand to deliver the expertise, service and peace of mind you deserve at every stage of your Aston Martin ownership.

Above all, we want you to enjoy driving your car, which is why we host a fabulous range of Aston Martin driving experiences and events around the world.

At these events, whether organised by your dealer or directly by Aston Martin, you can drive your own car or one provided by us, meet fellow Aston Martin enthusiasts, and share unique experiences you'll never forget. So, whether you wish to explore some of the world's most appealing destinations, hotels, culture and cuisine, long for the leisurely delights of our luxury tours through glorious landscapes, crave the adrenalin rush of driving as fast as you dare around one of the world's great race circuits or bewitched by the novelty of powering around a special course carved into the snow and ice of St. Moritz, you can be sure of one thing: Aston Martin ownership is an experience like no other.

WORKING WITH YOUR DEALERSHIP

EXPERT GUIDANCE, UNRIVALLED SERVICE.
YOUR OWNERSHIP EXPERIENCE STARTS HERE.

With 148 dealerships in 42 countries around the world, Aston Martin has a global presence to match its reputation as maker of some of the world's most coveted and recognisable cars. All our showrooms and service centres reflect the prestige and exclusivity associated with the Aston Martin brand, ensuring your ownership experience begins as soon as you enter the showroom.

Staffed by passionate, highly-trained sales people and technicians, all your needs are catered for. From expert guidance through the specification and ordering process to the unique peace of mind that comes from having your cherished car meticulously maintained by skilled specialists, our dealerships are at your disposal.

One of the most valuable services our dealerships provide is helping you create an Aston

Martin that is a true reflection of your own taste and personality. With an inspiring choice of paint colours, Carbon-Fibre detailing and a choice of alloy wheel designs it's possible to create a Rapide S that is as subtle or eye-catching as you wish. Likewise the Rapide S magnificent interior is a blank canvas for your own personal vision. We pride ourselves on the finest leather and trim in the business. With a choice of leather finishes – including the exciting option of duotone perforated leather – a wide selection of stitching styles and colours, not to mention the option of Carbon-Fibre trim, we can craft an interior that's as restrained or as sporting as you desire.

In addition to advising you on your colour and trim choices, our expert sales people will explain our new bespoke service, Q by Aston Martin, which

is the absolute pinnacle of personalisation. From a one-off design capturing your imagination to personalised interior detailing – on your new or current car – our expert Q by Aston Martin team is here to help guide you in the design, craft and hand finishing of your car to your precise requirements. They will take you through the available accessories and options, including luxury luggage and protective car covers.

As a valued customer once you have taken delivery of your car we will also keep you updated on the numerous exclusive Aston Martin events held throughout the year, and invite you to advanced previews of new models.

To find out more, please enquire with your preferred Aston Martin dealer.

Pictures and word mark

The cars illustrated in this brochure may include additional options not featured in this brochure or that are only available at extra cost. The Bluetooth word mark and logos are owned by the Bluetooth SIG Inc and any use of such marks is under licence.

Updates

Aston Martin Lagonda Limited is constantly seeking ways to improve the specification, design and production of its cars and alterations take place continually. Whilst every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current products, options, accessories or specifications, nor does it constitute any offer for sale of any particular car, product, option, accessories and/or services or combination of the same.

This brochure is merely an indication of the kinds of Aston Martin products and services which may be available from time to time. The contents of this brochure represent Aston Martin Lagonda Limited's business as a whole. Text and photographs may relate to models, specifications, options, accessories and/or services that are not available for sale in some countries or which have been superseded or are otherwise no longer available.

Performance results

Performance results, fuel consumption figures and CO2 emissions data quoted in this brochure are obtained under controlled test conditions (in accordance with applicable regulations) and may vary depending on the specification of the particular car, road and environmental conditions and driving style. Tyre choice may also impact on performance results, fuel consumption, CO2 emissions, ride comfort and handling.

Published figures should be used for comparison purposes only and verification should not be attempted on public roads. No guarantee is given express or implied of performance results, fuel consumption or CO2 emissions.

Aston Martin Lagonda Limited strongly urges that all speed laws be obeyed and that safety belts be worn at all times.

The weight of the car will influence the level of CO2 emitted and as a result, cars with higher levels of specification and factory fit options may emit higher levels of CO2. However, Vehicle Excise Duty is charged according to the weight of and CO2 emissions of the standard car, as published in this brochure.

All petrol engines are fitted with a catalytic converter.
