ASTON MARTIN CENTENARY FESTIVAL  
BRANDS HATCH 6 - 7 JULY 2013

# ASTON MARTIN CENTENARY FESTIVAL

In July 2013, Aston Martin Racing customers have the opportunity to celebrate Aston Martin's 100th birthday in style at the Aston Martin Centenary Festival. An exclusive Aston Martin only race has been organised in conjunction with the Aston Martin Owners Club and Motorsport Vision Racing at one of the most iconic circuits in the world, Brands Hatch.

The race, open to all categories of Aston Martin Racing cars from the last decade and some classics, will take place over 100 minutes, in celebration of Aston Martin's centenary year and will be the highlight of what promises to be an historic weekend. It will emulate the successful Le Mans Festival race from last year.

The festival will celebrate the power, beauty and soul of Aston Martin's racing and road car heritage. Machines ranging from classics like the DB4 Lightweight up to the latest Vantage GT3 will share the track in a spectacular display of competition pedigree.
